Summer Math Assignment for Incoming 1st Graders

Parents: Please initial and check when your child has completed the skill.

IXL Math Assignment: Your child will need to sign into the app or website using his/her school username and password. Then complete the **Kindergarten Math Skills only**. I suggest that your child complete one skill section per day, so that the practice is spread throughout the summer.

_____ IXL Math Sections A-Z and AA-XX. (*To be completed before 1st Grade.)*

_____ I can count to 100 by 1's, 5's, and 10's. (Use the number chart to help.)

_____1's _____5's _____ 10's

_____ I can count on (forward) or backward from any number 1-100, **without** looking at the numbers.

_____ I can identify numbers as even or odd. Color the **odd** numbers **yellow**, and color the **even** numbers **blue**.

1	2	3	4	5	6	7	8	9	10
11	12	13	14	15	16	17	18	19	20
21	22	23	24	25	26	27	28	29	30
31	32	33	34	35	36	37	38	39	40
41	42	43	44	45	46	47	48	49	50
51	52	53	54	55	56	57	58	59	60
61	62	63	64	65	66	67	68	69	70
71	72	73	74	75	76	77	78	79	80
81	82	83	84	85	86	87	88	89	90
91	92	93	94	95	96	97	98	99	100

Summer Math Assignment for Incoming 1st Graders

_____ I can read, find, and write numbers 1-100. Fill in the blank number chart starting from 1.

1									
									100

_____ I can fluently add and subtract one-digit numbers to 10.
(Students should be able to solve in 3 seconds or less.)

Addition (part + part = whole)

3+2= 6+4= 7+0= 1+9= 4+4= 5+5= 6+1=

1+3= 7+1= 4+3= 3+0= 1+5= 8+2= 4+5=

Subtraction (whole – part = part or difference)

9-2= 7-3= 10-0= 5-5= 8-6= 4-1= 7-7=

10-7= 8-2= 10-5= 6-3= 2-2= 6-5= 9-7=
